A deductible is the amount you pay for medical expenses before Blue Cross Blue Shield of Massachusetts begins to pay. The City has introduced a \$100 member/\$300 family deductible across all 3 product offerings; Network Blue NE, Blue Choice NE and Blue Care Elect Preferred. Two-person families will pay \$200. It's important to understand that you only have to pay toward your deductible for some health care services. Your deductible is plan year: July 1-June 30th. Please note that copayments for services that apply toward the deductible are still applicable

When do you pay your deductible?	You DO NOT pay your deductible for:
Inpatient admissions	Annual physicals and related labs and diagnostic tests associated with an annual physical
Day surgery	Emergency room visits
Labs, X-rays, Diagnostic Tests	Office visits to pcp and specialists copays
MRI, Pet Scan, CAT scan, nuclear and advanced imaging	Prescription Drugs
Durable medical Equipment
